Who will bare the charges of location service (API of Google Map) etc? By mobile application, payment integration require or not?	Successful bidder will be intimated letter on.
13	Page 35 Point 5.14	SP will provide training for conducting 5 training sessions – Before Go-Live. During O&M training needs to be given as and when required by DAMRF regarding the use of Software Applications. DAMRF will provide necessary facilities to conduct training.	How many times require to give training to department user and which places? We assume that there is single location of department finalized for proivding training. If any various location base training require then who will bare the charges of transportation and other expences like Hotel stay etc or DEPARTMENT will provide facility of all these trainings?	Successful bidder will be intimated letter on.
14	2.5 Qualification/Eligibility Criteria	The Bidder should have successfully executed, at least 3 Software Development projects during last 5 years as on date of submission of bids in which one project should be executed in any Govt./PSU/Large Enterprise and should not be less than INR 30 Lakh with project completion certificate.	The Bidder should have successfully executed, at least 1 Software Development projects during last 5 years as on date of submission of bids in which one project should be executed in any Govt./PSU/Large Enterprise and should not be less than INR 90 Lakh with project completion certificate. Justification: The amendment strengthens the requirement by focusing on a single, larger-scale project of INR 90 Lakh, ensuring the bidder has proven experience in executing substantial, high-value projects. This change enhances the credibility of the bidder's capability to manage and deliver complex projects. It also aligns with the need for vendors who can handle larger government/PSU initiatives efficiently.	No change, as per RFP.

15	SECTION 6: TECHNICAL EVALUATION METHODOLOGY (ii) Technical Evaluation: Sr No. 02	Quality Certifications ISO 9001:2015 & CMMi level 3 – 8 Marks ISO 9001:2015 & CMMi level 4/5 – 14 Marks ISO 9001:2015 & CMMi level 4/5 & [ISO 20000- 1:2011]/[ISO/IEC 27001 (Information Security)] – 20 Marks	Quality Certifications ISO 9001:2015 & CMMi level 3 – 8 Marks ISO 9001:2015 , [ISO 20000- 1:2011]/[ISO/IEC 27001 (Information Security)], CMMI level 3 – 14 Marks ISO 9001:2015 & CMMi level 4/5 & [ISO 20000- 1:2011]/[ISO/IEC 27001 (Information Security)] – 20 Marks Justification: The amendment emphasizes the importance of including ISO 20000-1:2011 or ISO/IEC 27001 (Information Security) certifications alongside CMMI Level 3 for mid-tier marks, ensuring bidders have both process quality and security standards. This shift reflects a growing need for secure and well-managed IT systems in projects. It ensures that even bidders at CMMI Level 3 demonstrate strong security and IT service management capabilities.	**No change, as per RFP.**
16	Pg. No. 8, Section 2.5 - Qualification/ Eligibility Criteria, Point No. 4	The Bidder should have successfully executed, at least 3 Software Development projects during last 5 years as on date of submission of bids in which one project should be executed in any Govt./PSU/Large Enterprise and should not be less than INR 30 Lakh with project completion certificate.	Request to kindly consider orders of the projects currently in progress stage	No change, as per RFP.

75	Section: 2: INSTRUCTIONS TO BIDDERS Subsection: 2.5 Qualification/Eligibility Criteria Point: 4 Page No.: 8	The Bidder should have successfully executed, at least 3 Software Development projects during last 5 years as on date of submission of bids in which one project should be executed in any Govt./PSU/Large Enterprise and should not be less than INR 30 Lakh with project completion certificate.	In reference to this clause, request to consider the projects of Software Operation and Maintenance of Software wherein software/portal development is also part of scope and request to relax the value upto 14 Lakhs and consider projects under O&M/AMC as well.	No change, as per RFP.
76	Section: 6: TECHNICAL EVALUATION METHODOLOGY Subsection: (ii) Technical Evaluation Point: 3 Page No.: 36	The bidder organization may have a minimum of 20 full-time mobile and application developers currently employed within the organization. All developers must have been continuously employed by the bidder for a period of at least one (1) year as of the date of submission of the bid. • 20 full time developers – 4 Marks • 21-35 full time developers – 7 Marks • 36- 50 full time developers – 10 Marks	In reference to this clause, request to consider the developers employed by the organization as on date of submission of bid.	No change, as per RFP.

77	Section: 6: TECHNICAL EVALUATION METHODOLOGY Subsection: (ii) Technical Evaluation Point: 4 Page No.: 37	The bidder should have executed a single project of a similar nature for State, Central Government, PSU, Large Enterprise during last 5 years' worth at least 30 Lakh. • Project ≥ 30 Lakh = 10 marks • Project ≥ 45 Lakh = 15 marks • Project ≥ 60 Lakh = 20 marks "Project of similar nature" means "The SP has developed, deployed and maintained the software application in which the work flow is end-to-end digitized and the application is capable of handling atleast 500 users"	In reference to this clause, request to also consider the software projects in similar work definition. As large scale enterprise projects may not have end-to-end digitization of application but any single application such as HRMS / Purchase / Inventory etc,	No change, as per RFP.
78	Section - 1 Invitation for Bids Point - 3 Page No.: 3	No Consortium will be allowed	In reference to this clause, request to allow consortium of maximum of 2 members.	No change, as per RFP.
79	Section - 4 Special Conditions of Contract 4.4 Timeline for DAMPR Project 4.4.1 Time Limit for DAMRF Project Sr. No. 4 Page No.: 25	Design, Development, UAT Completion for Applications	after going through the scope of work, the requirement gathering and SRS itself will take time of 2-3 months and most of government department requirements comes when we request for UAT Acceptance. Request to keep the project timeline which is feasible at the bidder level. or Request to provide 3 months timeline for development after all the requirements are finalized by the Department including SRS sign off.	No change, as per RFP.
80	2.5 Qualification/Eligibility Criteria Page # 8	II. The Bidder should be Software Development firm/IT company and should be in operations in successful Software Development, Software Customization & Implementation anywhere in India for at least 5 Years as on date of submission of bid.	1. To get experienced bidder, we request below change in this clause. Kindly consider. II. The Bidder should be Software Development firm/IT company and should be in operations in successful Software Development, Software Customization & Implementation anywhere in India for at least 10 Years as on date of submission of bid.	No change, as per RFP.
81	2.5 Qualification/Eligibility Criteria Page # 8	III. The Bidder should have an annual turnover from IT Software related services (Software Development/ Software Customization or Implementation) of at least Rs.2 Crore during each of the last three financial years (2020-21, 2021-22 and 2022-23) or cumulative turnover of Rs.6 Crore for the last three financial years (2020-21, 2021-22 and 2022-23)	1. To get experienced bidder, we request below change in this clause. Kindly consider. III. The Bidder should have an annual turnover from IT Software related services (Software Development/ Software Customization or Implementation) of at least Rs.20 Crore during each of the last three financial years (2021-22, 2022-23 and 2023-24) or cumulative turnover of Rs.60 Crore for the last three financial years (2021-22, 2022-23 and 2023-24)	No change, as per RFP.
82	2.5 Qualification/Eligibility Criteria Page # 8	IX. Employee Strength: The bidder should have at least 20 no. of software developers on it's pay roll continuously working for the past one year at different levels as on bid submission date.	1. To get technical capable bidder, we request below change in this clause. Kindly consider. IX. Employee Strength: The bidder should have at least 200 no. of software developers on it's pay roll continuously working for the past one year at different levels as on bid submission date.	No change, as per RFP.
83	3.8 Inspection/Testing Page # 18	Application Security Audit: In addition to inspection & testing, the SP shall also be responsible to get web and mobile application security audited by CERT-In Empaneled application security Auditors at the cost of the SP and submit the Security Audit Clearance Certificate issued by CERT-In Empaneled Security Auditors.	1. Total how many security audit(s) should bidder consider in their bid during entire tenure of the project (Before Go Live and During Operation & Maintenance)?	Bidder has to carry out security audit single time before making the applications Go-Live. If on need basis, any one or more than one modules are developed and to be made Go-Live than successful bidder has to complete and provide safe host certificate of the particular modules and thereafter as and when remaining modules are developed, bidder has to carry out security audit accordingly.
84	3.9 Change Request Page # 18	3.9.1 During the contract period (Until Go-live), any change in scope of work, or in design and development shall not be construed as change Request order and instead it will become part of scope of work accompanying this bid document and it will be invariably accepted by the bidder without any additional cost identified in the Financial Bid Part 1 (line item no.1).	1. Part 1 (Line Item No. 1) also includes 5 years of operation and maintenance. How changes or enhancement will be considered during operation & maintenance period? Will it be considered as Change Request and paid as per actual? Please confirm.	No change, as per RFP. Please refer to the Fianncial bid mentioned in the RFP Part-1
85	4.7.3 Implementation related penalty of service levels Page # 27	The overall Penalty during the project is capped at 10% of total Contract value of this project. If performance of the bidder doesn't improve and reached beyond the maximum penalty cap (at respective milestone penalty level or at total contract value), then DAMRF may have rights to terminate the contract. In that case the Performance Bank Guarantee of the bidder will be forfeited.	1. As per industry standard, overall penalty during the project should be capped at 5% of total contract value. Kindly consider.	No change, as per RFP.

86	Penalty Calculations Page # 29	Any availability/uptime requirements under SLA shall be subject to standard downtime, the time lost due to any of the following reasons are taken into account while calculating the availability/ uptime requirement: 1. Time lost due to power failures; 2. Time taken to recover the system because of power failures; 3. Time taken for scheduled maintenance/ troubleshooting either for preventive purposes or improvement in function or other purposes; 4. Time taken for reconfiguration or other planned downtime situations; 5. Scheduled shutdowns as required by Department	1. We assume that these points will NOT be considered to calculate SLA and penalty. Please confirm.	No change, as per RFP.
87	SECTION 5: SCOPE OF WORK 5.12 Mobile Application for APMCs Page # 33	Registration of farmers should be there in Mobile Application.	1. 1. How Farmers will be registered? 2. Will there be any approval process for farmer registration? If yes, then please elaborate registration and approval process.	Successful bidder will be intimated letter on.
88	SECTION 5: SCOPE OF WORK 5.12 Mobile Application for APMCs Page # 33	The trader's login should be created.	1. How Traders will be registered? 2. Will there be any approval process for Traders registration? If yes, then please elaborate registration and approval process.	Successful bidder will be intimated letter on.
89	SECTION 5: SCOPE OF WORK 5.12 Mobile Application for APMCs Page # 33	Report generation & official credential should be created.	1. How Official will be registered? 2. Will there be any approval process for Traders registration? If yes, then please elaborate registration and approval process. 3. Will these reports available in mobile applications only? 4. Please share list of reports along with its sample format.	Successful bidder will be intimated letter on.
90	SECTION 5: SCOPE OF WORK 5.12 Mobile Application for APMCs Page # 33	General	1. We assume that there will be a common application (Android based) for all three types (Farmers, Traders and Officials) of users and based on the user type they will be able to see options. Please confirm.	Successful bidder will be intimated letter on.
91	SECTION 5: SCOPE OF WORK 5.12 Mobile Application for APMCs Page # 33	General	1. Please share list of features / functionalities to be displayed to each type of user (Farmers, Traders and Officials) once they login.	Successful bidder will be intimated letter on.
92	SECTION 5: SCOPE OF WORK 5.12 Mobile Application for APMCs Page # 33	General	1. From where master data (commodity, location etc.) will be managed? From mobile appliation (by officials) or from web application?	Successful bidder will be intimated letter on.
93	SECTION 5: SCOPE OF WORK 5.12 Mobile Application for APMCs Page # 33	General	1. Will this mobile application be connected with the web application? If yes, then please elaborate how it will be connected and what data will need to be shared between web application and mobile application? 2. What will be the common features / modules / data between web application and mobile appliation?	Successful bidder will be intimated letter on.

94	SECTION 6: TECHNICAL EVALUATION METHODOLOGY Page # 36	1 Cumulative turnover of bidder during the last three years ending 31st March 2023 from IT business Turnover ≥ 6 Cr = 4 marks Turnover ≥ 9 Cr. = 7 marks Turnover ≥ 12 Cr. = 10 marks	1. To keep this inline with the Qualification / Eligibility Criteria we suggest below changes in this clause. 1 Cumulative turnover of bidder during the last three years ending 31st March 2023 from IT business Turnover ≥ 60 Cr = 4 marks Turnover ≥ 90 Cr. = 7 marks Turnover ≥ 120 Cr. = 10 marks	No change, as per RFP.
95	SECTION 6: TECHNICAL EVALUATION METHODOLOGY Page # 36	3 The bidder organization may have a minimum of 20 full-time mobile and application developers currently employed within the organization. All developers must have been continuously employed by the bidder for a period of at least one (1) year as of the date of submission of the bid. • 20 full time developers – 4 Marks • 21-35 full time developers – 7 Marks • 36- 50 full time developers – 10 Marks	1. To keep this inline with the Qualification / Eligibility Criteria we suggest below changes in this clause. 3 The bidder organization may have a minimum of 20 full-time mobile and application developers currently employed within the organization. All developers must have been continuously employed by the bidder for a period of at least one (1) year as of the date of submission of the bid. • 200 full time developers – 4 Marks • 201 - 250 full time developers – 7 Marks • 251 - 300 full time developers – 10 Marks	No change, as per RFP.
96	SECTION 6: TECHNICAL EVALUATION METHODOLOGY Page # 37	5 Presentation on proposed solution on web Application requirement.	1. Presentation is a subjective component which is having 40 marks. This is very high compared to standard Technical Evaluation. We therefore request you to keep it between 20 to 25 and change other objective type of component accordingly. Kindly consider.	No change, as per RFP.
97	Part-2 : ATS/AMC, OS, Database Licenses and any other readymade software required to run the web and mobile application for 5 years: Page # 40	2. Man-month rate will be calculated by dividing particular year by 12. 3. Per day rate will be calculated by dividing the derived man-month rate by 30.	1. This section is purely related to ATS / AMC of OS License, Database License and Any other readymade software license. Hence calculating man-month rate or day rate will be irrelevant. Please remove this.	Please refer to the Fianncial bid mentioned in the RFP Part-1
98	Labour Laws Page # 41	• Before replacing a resource, a minimum of one months' time to the office of the DAMRF along with panel must be given to choose the substitution from the panel else penalties and pro-rata deduction in the quarterly fees will be made.	1. As bidder is not required to deploy any resources, this clause will not come into picture. Kindly remove this.	This clause stands to be considered as deleted.
99	Payment terms Page # 42	• Quarterly invoice payment will be evaluated based on actual available resource in the month using the following formula: o Quarterly Payment = Quarterly Payment Value x Actual Man-days available in the Quarter / Total Man-days in the Quarter o Over and above penalty will also be levied as per SLA.	1. As bidder is not required to deploy any resources, this clause will not come into picture. Kindly remove this.	This clause stands to be considered as deleted.
100	General	Extension	1. We request you to allow 8 to 10 working days to all the bidders to submit their bids once you publish responses to the bidder's queries. Kindly consider.	Bidders are advised to refer to the GeM Portal and GIL website regularly
101	Qualification/Eligibility Criteria Point -3	The Bidder should be Software Development firm/IT company and should be in operations in successful Software Development, Software Customization & Implementation anywhere in India for at least 5 Years as on date of submission of bid.	We kindly request you to please , reducing the minimum operational experience from 5 years to 4 years. We believe that this adjustment would allow a wider range of participation . In our 4 years of existence, we have successfully deployed multiple projects, with documentary evidence available and will beattached in the tender documents. We kindly request a reduction in the experience criteria from 5 years to 4 years to allow for our participation.	No change, as per RFP.
102	Page No. 36, Technical Evaluation:	Quality Certifications ISO 9001:2015 & CMMi level 3 – 8 Marks ISO 9001:2015 & CMMi level 4/5 – 14 Marks ISO 9001:2015 & CMMi level 4/5 & [ISO 20000- 1:2011]/[ISO/IEC 27001 (Information Security)] – 20 Marks	We request you to amend this clause as - Quality Certifications ISO 9001:2015 & CMMi level 3 – 15 Marks ISO 9001:2015 & CMMi level 4 – 17 Marks ISO 9001:2015 & CMMi level 5 & [ISO 20000- 1:2011]/[ISO/IEC 27001 (Information Security)] – 20 Marks	No change, as per RFP.

103			Moreover, we seek clarification on the following points: 1. Contract Period: The GEM document mentions the contract period as 5 Year(s), 6 Month(s), and 3 Day(s), while the RFP states a contract period of 5 years. Could you please confirm the correct contract duration? 2. EMD Submission: Is it possible to submit the EMD in the form of a Demand Draft, as an alternative to the bank gurantee method? We would appreciate your prompt response to these queries to help us proceed with the bid preparation.	For clarity on Contract Period, please refer to the RFP.
104	GeM Representations	GeM Representations	For fair competition and enable highly quality bid participation, we request to create separate marking schemes for CMMI level and ISO certifications instead of clubbing them. Otherwise, inspite of being CMMI3-ISO 9001-27001-20000-1, 3 important contracts of Ministry of Agriculture, cumulative turnover more than 12Cr, we would still be deprieved of a huge 12 marks (being CMMI 2 instead of 4/5) whereas the fact is there is not much difference netween CMMI 3 ver 2.0 and CMMI 4/5. Kindly reconsider for quality participation.	No change, as per RFP.
105	GeM Representations	GeM Representations	Kindly allow the EMD Exempted for MSME as per GEM T&C and previous bid no: GEM/2024/B/4572894 dated 09.02.2024	Please refer to the Corrigendum.

Corrigendum (22.10.2024)

Tender for Selection of Agency for Design, Development, Implementation and Operation & Maintenance of web and mobile application for the office of the Director of Agriculture Marketing & Rural Finance, Gandhinagar, Govt. of Gujarat. (GEM/2024/B/5456524 dated 05.10.2024)

Change-1

Existing Clause (GeM Bid – Para 8. Buyer Added Bid Specific ATC)

EMD Exemption mentioned in the GeM GTC will NOT be applicable under this bid. Bidders shall submit EMD of Rs.1,10,000/- in the form of an unconditional Bank Guarantee (which should be valid for 12 months from the last date of bid submission) of any Nationalized Bank including the public sector bank or Private Sector Banks or Commercial Banks or Co-Operative Banks and Rural Banks (operating in India having branch at Ahmedabad/Gandhinagar) as per the G.R. no. FD/MSM/e-file/4/2023/0057/DMO dated 21.04.2023 issued by Finance Department or further instruction issued by Finance department time to time; in the name of "Director, Agriculture Marketing & Rural Finance, Gujarat State, Gandhinagar. Address: Block No.13/2, Dr. Jivraj Mehta Bhavan, Gandhinagar." payable at Gandhinagar (as per prescribed format given at Section10) and must be submitted along with the covering letter.

Revised Clause

~~EMD Exemption mentioned in the GeM GTC will NOT be applicable under this bid.~~ Bidders shall submit EMD of Rs.1,10,000/- in the form of an unconditional Bank Guarantee (which should be valid for 12 months from the last date of bid submission) of any Nationalized Bank including the public sector bank or Private Sector Banks or Commercial Banks or Co-Operative Banks and Rural Banks (operating in India having branch at Ahmedabad/Gandhinagar) as per the G.R. no. FD/MSM/e-file/4/2023/0057/DMO dated 21.04.2023 issued by Finance Department or further instruction issued by Finance department time to time; in the name of "Director, Agriculture Marketing & Rural Finance, Gujarat State, Gandhinagar. Address: Block No.13/2, Dr. Jivraj Mehta Bhavan, Gandhinagar." payable at Gandhinagar (as per prescribed format given at Section10) and must be submitted along with the covering letter. The Bidder may be eligible for exemption from the Earnest Money Deposit (EMD) as per the provisions outlined in the GeM General Terms and Conditions (GTC). Start-Up is Exempted from EMD. MSME is Exempted only when MSME unit is OEM or developing end to end software by themselves only & MSME Certificate having code Division 62: Computer programming, consultancy and related activities will only be exempted.

Change-2

Existing clause

Bid Document – Section 5: Scope of Work, Sub-Section 5.12- Mobile Application for APMCs

- ***Android based Application.***

Revised clause

Bid Document – Section 5: Scope of Work, Sub-Section 5.12- Mobile Application for APMCs

- ***As part of the scope of work, the successful bidder shall be required to design, develop, and deliver a fully functional Mobile Application for both Android and iOS platforms.***

Please submit undertaking letter as per Ministry of Finance Memorandum No.: F. No.6/18/2019-PPD dated 23.07.2020 & Office Memorandum No.: F.18/37/2020-PPD dated 08.02.2021 as per performa given below on OEM letterhead as well as on bidder's letterhead.
