Responses of pre-bid queries (23.07.2026)				
S.No	**RFP Document Reference(s) (Clause & Page Number(s))**	**Content of RFP requiring Clarification(s)**	**Points of clarification**	**Responses to the Queries**
1	Page No. 22	Choice of Agency (item category wise Empanelment) o 2 Agencies (L1, L2) with a minimum of 2 different OEMs shall be identified for Empanelment subject to match the L1 rate. o Once the L1 bidder is identified, bidders at L2 position shall be invited to match the discovered L1 rate. Upon their acceptance, two agencies shall be finalized for empanelment, subject to the requirement of empanelment of two different OEMs o If the L2 bidder declines to match the L1 rate, the next lowest financial bidder representing a different OEM will be invited to match the L1 rate. This process shall continue until two agencies representing two different OEMs are identified for empanelment. o In case any agencies are not willing to match the L1 rate, empanelment shall proceed with the available L1 agency.	We request the committee to consider distributing the order allocation among L1, L2, and L3 bidders (rather than limiting it strictly to L1 and L2) to ensure wider participation and better project execution.	No Change. As per RFP.
2	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop & Page no.18, Desktop 1	Desktop-1 Processor: 14th Generation Intel core i5 14400 series or higher / AMD Ryzen 5 8500G series or higher and PC should have been Manufactured in the year 2025 or thereafter.	Kindly help to amend the clause "Processor: 14th Generation Intel core i5 14400 series or higher / AMD Ryzen 5 8500G series or higher with Neural Processing unit (NPU enabled Processor) with AI TOPS and PC should have been Manufactured in the year 2025 or thereafter".	No Change. As per RFP.
3	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop & Page no.18, Desktop 2	Desktop-2 Processor: 14th Generation Intel core i7 14700 series or higher / AMD Ryzen 7 8700G series or higher and PC should have been Manufactured in the year 2025 or thereafter.	Kindly help to amend the clause "Processor: 14th Generation Intel core i7 14700 series or higher / AMD Ryzen 7 8700G series or higher with Neural Processing unit (NPU enabled Processor) with AI TOPS and PC should have been Manufactured in the year 2025 or thereafter".	No Change. As per RFP.
4	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop & Page no.19, All-in-one Desktop 1	All-in-One Desktop-1 Processor: 14th Generation Intel core i5 14400 series or higher / AMD Ryzen 5 8500G series or higher and PC should have been Manufactured in the year 2025 or thereafter	Kindly help to amend the clause "Processor: 14th Generation Intel core i5 14400 series or higher / AMD Ryzen 5 8500G series or higher with Neural Processing unit (NPU enabled Processor) with AI TOPS and PC should have been Manufactured in the year 2025 or thereafter".	No Change. As per RFP.
5	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop & Page no.19, All-in-one Desktop 2	All-in-One Desktop-2 ü Processor: 14th Generation Intel core i5 14400 series or higher / AMD Ryzen 5 8500G series or higher and PC should have been Manufactured in the year 2025 or thereafter.	Kindly help to amend the clause "Processor: 14th Generation Intel core i7 14400 series or higher / AMD Ryzen 5 8500G series or higher with Neural Processing unit (NPU enabled Processor) with AI TOPS and PC should have been Manufactured in the year 2025 or thereafter".	No Change. As per RFP.
6	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop & Page no.21, Laptop	Laptop Processor: 13th Generation Intel core i5 1334U series or higher / AMD Ryzen 5 7535U series or higher and Laptop should have been manufactured in the year 2025 or thereafter.	Kindly help to amend the clause as " Processor: 13th Generation Intel core i5 1334U series or higher / AMD Ryzen 5 7535U series or higher with Neural Processing unit (NPU enabled Processor) with AI TOPS and Laptop should have been manufactured in the year 2025 or thereafter.	No Change. As per RFP.
7	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop & Page no.21, Laptop	Laptop RAM Size (GB): 16 GB DDR5 or higher (Single Module) with 1 DIMM slot free. Should support expansion up to 32 GB	Kindly help to remove additional 1 DIMM slot and amend the clause as "16 GB DDR5 or higher (Single Module)"	No Change. As per RFP.
8		Existing Provision: "2 Agencies (L1, L2) with a minimum of 2 different OEMs shall be identified for Empanelment subject to match the L1 rate.	Up to three (3) technically qualified agencies, preferably representing different OEMs, may be empaneled for each item category, subject to matching the discovered L1 rate and complying with all eligibility requirements prescribed in the tender. The quantity allocation may be considered in any suitable ratio as deemed appropriate	No Change. As per RFP.
9	Past Performance (OEM)	The OEM (themselves or through resellers) must have supplied same or similar category products within the last seven (7) years before the bid opening date. Work orders either directly by the OEM or through its authorized resellers will be considered. Cumulative quantities of all such work orders during the last seven (7) years will be considered for evaluation. Experience of any OEM other than the quoted OEM shall not be considered.	Kindly amend the clause to specify that the qualifying work orders may be executed for any Central Government Organization, State Government Organization, Public Sector Undertaking (PSU), Public Listed Company, or Higher Educational Institution established under an Act of Parliament/State Legislature or recognized by UGC, within India. The cumulative quantities of such work orders executed during the last seven (7) years may be considered for evaluation. This amendment will recognize the execution capability of OEMs across reputed Government, Public Sector, Educational and Listed Private Sector organizations while ensuring broader participation and healthy competition without compromising quality or performance.	No Change. As per RFP.
10	Non-Make in India Products	For all categories.	Kindly consider eligibility of Non-Make in India products OEMs ranked among the "Top 5 IDC PC Vendors" (latest IDC PC Tracker / equivalent IDC report) for technical and commercial evaluation. This will ensure participation of established OEMs with proven product quality, strong financial stability, robust service infrastructure, continuous technology investments, and long-term product support, thereby safeguarding the interests of the purchaser throughout the product lifecycle.	No Change. As per RFP.
11	Earnest Money Deposit (EMD) - Page no : 12	8. EMD as mentioned above, shall be submitted in the form of Demand Draft/ through NEFT OR in the form of an unconditional Bank Guarantee (which should be valid up to validity of Bid + 90 days) of All Nationalized Bank including the public sector bank or banks (operating in India having branch at Ahmedabad/ Gandhinagar) as per the GR. No: FD/MSM/e-file/4/2024/2859/DMO Dated: 01/05/2025 issued by Finance Department or further instruction issued by Finance department time to time in the name of "Gujarat Informatics Ltd." payable at Gandhinagar (as per prescribed format given at as per prescribed format given at Annexure A) and must be submitted along with the covering letter.	we request to accept the EMD also in the form of **Insurance Surety Bond.**	No Change. As per RFP.

S.No	RFP Document Reference(s) (Clause & Page Number(s))	Content of RFP requiring Clarification(s)	Points of clarification	Responses to the Queries
12	Performance Bank Guarantee Page 14	Selected empaneled bidders has to submit Performance Bank Guarantee @ 5% of total order value within 15 days from the date of issue of order (for warranty period + extra 2 months) from Any Nationalized Bank including the public sector bank or banks (operating in India having branch at Ahmedabad/ Gandhinagar) as per the GR. No: FD/MSM/e-file/4/2024/2859/DMO Dated: 01/05/2025 issued by Finance Department or further instruction issued by Finance department time to time as per the draft attached herewith in the name of Indenting Department. Further the contract management will be done by department / office.	Selected empaneled bidders has to submit Performance Bank Guarantee @ **3%** of total order value within **45 days** from the date of issue of order (for warranty period + extra 2 months) from Any Nationalized Bank including the public sector bank or banks (operating in India having branch at Ahmedabad/ Gandhinagar) as per the GR. No: FD/MSM/e-file/4/2024/2859/DMO Dated: 01/05/2025 issued by Finance Department or further instruction issued by Finance department time to time as per the draft attached herewith in the name of Indenting Department. Further the contract management will be done by department / office.	No Change. As per RFP.
13	Performance Bank Guarantee	Selected empaneled bidders has to submit Performance Bank Guarantee @ 5% of total order value within 15 days from the date of issue of order (for warranty period + extra 2 months) from Any Nationalized Bank including the public sector bank or banks (operating in India having branch at Ahmedabad/ Gandhinagar) as per the GR. No: FD/MSM/e-file/4/2024/2859/DMO Dated: 01/05/2025 issued by Finance Department or further instruction issued by Finance department time to time as per the draft attached herewith in the name of Indenting Department. Further the contract management will be done by department / office.	Selected empaneled bidders has to submit Performance Bank Guarantee **OR Insurance Surety Bond@ 3%** of total order value within **45 days** from the date of issue of order (for warranty period + extra 2 months) from Any Nationalized Bank including the public sector bank or banks (operating in India having branch at Ahmedabad/ Gandhinagar) as per the GR. No: FD/MSM/e-file/4/2024/2859/DMO Dated: 01/05/2025 issued by Finance Department or further instruction issued by Finance department time to time as per the draft attached herewith in the name of Indenting Department. Further the contract management will be done by department / office.	No Change. As per RFP.
14	Choice of Agency (item category wise Empanelment) : Page No 22	2 Agencies (L1, L2) with a minimum of 2 different OEMs shall be identified for Empanelment subject to match the L1 rate.	3 encies (L1, L2,L3) with a minimum of 3 different OEMs shall be identified for Empanelment subject to match the L1 rate.	No Change. As per RFP.
15			OEM Past Performance Criteria; Request to change as The OEM (themselves or through re-sellers) must have successfully supplied the same or similar category product to Central Government Departments, State Government Departments, PSUs, Public Sector Banks, Public Listed Companies, or Higher Educational Institutions recognized by UGC or established under an Act of the Central/State Government, within the last 7 years before the bid opening date. Work orders executed either directly by the OEM or through its authorized resellers shall be considered. Cumulative quantities of all such work orders during the last 7 years shall be considered for evaluation. Experience of any OEM other than the quoted OEM shall not be considered.	No Change. As per RFP.
16			Microsoft Hardware Certification: Request to include a clause The quoted Desktop, All-in-One Desktop, and Laptop models must be Microsoft Hardware Certified. The bidder shall submit the Microsoft Hardware Certification along with the verification link from the official Microsoft Hardware Compatibility website as part of the bid.	No Change. As per RFP.
17			Make in India Allocation Ratio: Request to revise the current allocation ratio from 80:20 to 60:40 in favour of Make in India OEMs. This will provide greater encouragement to Indian manufacturers and MSMEs, create additional employment opportunities, strengthen the domestic electronics manufacturing ecosystem, and further support the Government of India's Make in India initiative.	No Change. As per RFP.
18	Past Performance (OEM) Eligibility Criteria – Non-Make in India OEM Products Page 4	The OEM (themselves or through re-sellers) must have supplied same or similar category product within the last 7 years before the bid opening date. Work orders either directly by OEM or through its resellers will be considered. Cumulative quantities of all such work orders during the last 7 years will be considered for evaluation. Experience of any OEM other than the quoted OEM shall not be considered.	As the RFP scope includes execution in Gujarat state, request the department to consider below to have a completely compliant product/OEM. The OEM (themselves or through re-sellers) must have supplied same or similar category product within the last 7 years before the bid opening date. The work orders should be from any Central / State Government Organization / PSU/ Higher Educational Institutions recognized by UGC or Act of Central or State Govt in India. Cumulative quantities of all such work orders during the last 7 years will be considered for evaluation. Experience of any OEM other than the quoted OEM shall not be considered.	No Change. As per RFP.
19	IDC Ranking Eligibility Criteria – Non-Make in India OEM Products Page 4	Additional Suggestion - The OEM should be in top 5 IDC, as per last two quarters	As the RFP scope involves deployment of sizeable quantity of machines, it's imperative that OEMs capacity to supply is also taken into consideration in the current challenging times. The OEM should be in top 5 IDC, as per last two quarters	No Change. As per RFP.
20	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop Page 18-21	Regulatory Certifications: BEE/Energy Star 7.0 or higher, EPR, RoHS or any other relevant Indian Certificates	Request the department to incorporate EPEAT Gold (India) certification to procure a more robust product and create a level playing field among the OEMs. Regulatory Certifications: BEE/Energy Star 7.0 or higher, EPR, EPEAT Gold (India), RoHS or any other relevant Indian Certificates	No Change. As per RFP.

S.No	RFP Document Reference(s) (Clause & Page Number(s))	Content of RFP requiring Clarification(s)	Points of clarification	Responses to the Queries
21	TECHNICAL MINIMUM SPECIFICATIONS of all Desktops, All in One Desktops and Laptop Desktop-1 & Desktop-2 Page 18 & 19	Additional suggestion - Power Supply	Request the below change to enable our participation. "Power Supply: 180W EPEAT Gold India with 90% efficiency or better" Having this change would benefit all the departments from overall power efficiency and longevity of the machine and provide a level playing field for all OEMs. Link for Advantages of a more efficient power supply: https://www.velocitymicro.com/blog/what is-psu-efficiency-and-why-is-it-important/ Link to calculate Power Supply Efficiency calculator: https://vectorization.eu/psu-efficiency-calculator/	No Change. As per RFP.
22	Page No. 2 Bidder Turn Over Criteria	The minimum average annual financial turnover of the bidder during the Asked turnover is 168Cr in last three years (FY 2022-23, FY 2023-24, FY 2024-25).	We hereby request the department to kindly consider an Average Annual Turnover of ₹60 Crore during the last three (3) financial years, as this would encourage broader participation from technically competent and financially sound bidders while ensuring healthy competition.	No Change. As per RFP.
23	Page no 3. Past Performance (Bidder)	The bidder must have successfully executed /completed work orders for the same or similar item category product within the last 7 years before the bid opening date For Desktop-1: 9,600 qty	We respectfully request the department to kindly consider allowing the past performance of either the Bidder or the quoted OEM to be considered for meeting the eligibility criteria. Alternatively, the department may kindly consider reducing the required cumulative quantity to 7,000 units for meeting the past performance requirement. This will encourage wider participation from technically qualified bidders while ensuring healthy competition without compromising the project objectives.	No Change. As per RFP.
24	Past Performance (OEM) Eligibility Criteria – Non-Make in India OEM Products Page 4	The OEM (themselves or through re-sellers) must have supplied same or similar category product within the last 7 years before the bid opening date. Work orders either directly by OEM or through its resellers will be considered. Cumulative quantities of all such work orders during the last 7 years will be considered for evaluation. Experience of any OEM other than the quoted OEM shall not be considered.	We respectfully request the department to kindly consider revising the OEM past performance criteria to facilitate wider participation of technically competent OEMs while maintaining the required quality standards. Proposed Clause: The quoted OEM (themselves or through their authorized resellers/channel partners) should have supplied the same or similar category of products within the last seven (7) years preceding the bid opening date. Such supplies should have been made to Central Government Departments, State Government Departments, PSUs, Autonomous Bodies, or Higher Educational Institutions recognized by UGC or established under an Act of Parliament/State Legislature in India. The cumulative quantity of such supplies during the last seven (7) years shall be considered for evaluation. Experience of any OEM other than the quoted OEM shall not be considered. This amendment will encourage wider participation from reputed OEMs, enhance competition, and provide the department with a broader choice of technically qualified solutions without compromising the quality or execution capability.	No Change. As per RFP.
25	Page No. 15 Warranty	Comprehensive onsite warranty for 5 years from OEM from the date of installation of all items.	We respectfully request the department to kindly amend the warranty clause as follows: "The successful bidder shall provide a comprehensive onsite OEM warranty for a period of five (5) years from the date of installation and successful commissioning of all items. However, if the installation is delayed due to site readiness or any reasons attributable to the Indenting Department/Consignee, the warranty shall commence after a maximum period of thirty (30) days from the date of delivery of the equipment." This amendment will safeguard the warranty period from being impacted due to delays beyond the bidder's control while ensuring timely supply and installation of the equipment.	No Change. As per RFP.
26	Page no 15. Point o 12: Payment	100% payment after successful inspection of GIL, and after completion certificate of delivery & installation of the ordered goods by indenting Dept. In case site is not ready, Department / Office may release the payment at its discretion.	We respectfully request the department to kindly amend the payment clause as follows: "100% payment shall be released within 30 days after successful inspection by GIL and submission of the completion certificate for delivery and installation of the ordered goods by the Indenting Department. However, if the installation is delayed due to site readiness or any reasons attributable to the Indenting Department/Consignee, the department may release 100% payment after successful delivery, inspection, and submission of the delivery certificate, without awaiting installation." This amendment will ensure timely payment for supplies completed by the bidder while safeguarding the interests of both the department and the successful bidder in cases where installation is delayed due to reasons beyond the bidder's control.	No Change. As per RFP.

S.No	RFP Document Reference(s) (Clause & Page Number(s))	Content of RFP requiring Clarification(s)	Points of clarification	Responses to the Queries
27	Choice of Agency (Item Category-wise Empanelment) Eligibility Criteria – Non-Make in India OEM Products Page 22–23	2 Agencies (L1, L2) with a minimum of 2 different OEMs shall be identified for empanelment subject to match the L1 rate.	We respectfully request the department to consider empanelling a minimum of three (3) OEMs for each item/category instead of limiting the empanelment to two OEMs. Considering the current industry-wide supply chain constraints, component shortages, and extended lead times for critical hardware, empanelling multiple OEMs will mitigate supply risks, ensure uninterrupted project execution, and enhance competition while maintaining quality standards. Proposed Amendment: "A minimum of three (3) agencies/OEMs may be empanelled for each item/category, subject to meeting the technical eligibility criteria and matching the L1 rates, wherever applicable." This amendment will provide the department with greater flexibility in procurement, reduce dependency on a limited number of OEMs, and help ensure timely project implementation. Relevant industry references on global supply chain challenges and component shortages can be furnished, if required, in support of this request.	No Change. As per RFP.
28	Quantity Clause Page 10	Quantities are only indicative and no order quantity is guaranteed.	Reconsider high Past Performance requirements for an empanelment tender with no guaranteed procurement.	No Change. As per RFP.
29	Choice of Agency	Order allocation 70:30 between L1 and second empanelled agency.	Modify allocation to 60:40 or 50:50 subject to satisfactory performance.	No Change. As per RFP.
30	Choice of Agency	Fixed allocation methodology.	Permit departments to procure from either empanelled OEM based on delivery, availability and service performance.	No Change. As per RFP.
31	Processor Specification (Desktop/AIO/Laptop) Pages 18–21	Intel 14th Gen / AMD Ryzen 8000 series and older laptop processors specified.	update Intel Core Ultra Series 2 / Intel Core Ultra vPro / AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent/higher AI-enabled processors.	No Change. As per RFP.
32	Desktop Cabinet Size Pages 18–20	Cabinet restricted to 7L–18L.	Update all standard desktop form factors including Mini PC, SFF, DMT, Mid Tower and Tower provided all technical specifications are met.	No Change. As per RFP.
33	Desktop & AIO Processor Platform Pages 18–20	Desktop systems should not have mobile processors.	Update equivalent or better energy-efficient processor platforms meeting or exceeding the prescribed performance, warranty and reliability requirements.	No Change. As per RFP.
34	Laptop Memory Page 21	16 GB DDR5 with one DIMM slot free and expandable to 32 GB.	Update 16 GB DDR5/LPDDR5/LPDDR5X onboard or socketed RAM. Remove mandatory RAM expansion requirement.	No Change. As per RFP.
35	Laptop Processor Page 21	Intel Core i5-1334U / AMD Ryzen 5 7535U.	Update Intel Core Ultra 5/Ultra 7 Series 2, Intel Core Ultra vPro, AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent AI-enabled processors.	No Change. As per RFP.
36	Eligibility Criteria – Make in India OEM Products – Past Performance (Bidder), Page 7	Bidder must have supplied minimum cumulative quantity (Desktop-1: 2,400 Qty, Laptop: 80 Qty etc.) within last 7 years.	Request exemption or suitable relaxation of Bidder/OEM Past Performance for DPIIT-recognized Startups and Gujarat-based Micro & Small Enterprise (MSE) manufacturers. Alternatively, reduce the prescribed quantity by at least 75% for eligible Startup/MSME OEMs.	No Change. As per RFP.
37	Eligibility Criteria – Make in India OEM Products – Past Performance (OEM), Page 7-8	OEM must have supplied minimum cumulative quantity (Desktop-1: 7,500 Qty, Laptop: 250 Qty etc.) during last 7 years.	Request exemption or substantial reduction in OEM Past Performance requirement for DPIIT-recognized Startup OEMs. Alternatively, allow qualification through Manufacturing Capability, Factory Infrastructure, BIS/BEE Certifications, Production Capacity and Service Infrastructure.	No Change. As per RFP.
38	Bidder Turnover Exemption Note, Page 12	Tender provides Turnover Exemption to Startup/MSME but specifically excludes Past Performance exemption.	Kindly extend similar relaxation to Past Performance criteria for eligible Startup/MSME OEMs under the Make in India category.	No Change. As per RFP.
39	Eligibility Criteria – Make in India OEM Products	Eligibility is based mainly on historical supply quantities.	Permit qualification based on Manufacturing Capability, Factory Inspection, BIS Registration, BEE Registration, ISO Certifications, Production Capacity, Service Infrastructure and OEM Performance Undertaking.	No Change. As per RFP.
40	Eligibility Criteria – Make in India OEM Products	Same eligibility criteria applicable to established multinational OEMs and newly established Indian OEMs.	Create a separate eligibility framework for DPIIT-recognized Startup OEMs and Gujarat-based Local Manufacturers participating under Make in India category.	No Change. As per RFP.
41	Eligibility Criteria – Past Performance	Existing clause requires experience irrespective of age of the company.	OEMs incorporated within the last five years may be permitted to qualify based on manufacturing capability, financial strength, statutory registrations and service infrastructure instead of historical supply quantities.	No Change. As per RFP.
42	General Eligibility	No provision for evaluating local manufacturing ecosystem.	Consider Local Value Addition, Gujarat Manufacturing Facility, Local Employment Generation, R&D Investment and Service Infrastructure as additional qualification criteria.	No Change. As per RFP.
43	Terms & Conditions – Quantity Clause, Page 10	Tender clearly states that quantities are indicative, notional and no order quantity is guaranteed.	Since this is only an empanelment and there is no guaranteed procurement, kindly reconsider the high Past Performance requirements or permit qualification based on manufacturing capability and technical compliance.	No Change. As per RFP.
44	Choice of Agency / Empanelment – Order Allocation Ratio	Orders are proposed to be allocated in the ratio of 70% to L1 and 30% to the second empaneled agency.	Request GIL to consider a more balanced allocation such as 60:40 or 50:50 between the two empaneled agencies, subject to satisfactory performance.	No Change. As per RFP.
45	Choice of Agency / Empanelment	Two agencies are empaneled at L1 matched price.	Request that departments may have flexibility to place orders with either empaneled agency based on delivery performance, stock availability and service response, instead of only fixed allocation.	No Change. As per RFP.
46	Eligibility Criteria – Startup & MSME	No preference specifically provided to Gujarat- based Startup OEMs.	Request procurement preference or evaluation benefit for Gujarat-based Startup OEMs and Local Manufacturers in accordance with Gujarat State Procurement Policy-2024 wherever applicable.	No Change. As per RFP.
47	Technical Qualification	Qualification primarily depends upon previous supply quantity.	Request GIL to consider Factory Visit/Factory Audit as an alternative qualification method for Startup OEMs.	No Change. As per RFP.
48	Technical Qualification	No consideration for investment made in manufacturing infrastructure.	Request that investment in manufacturing facilities, testing laboratories, quality control systems and after-sales infrastructure may also be considered for Startup OEM qualification.	No Change. As per RFP.
49	OEM Qualification	Current criteria favour established OEMs with large legacy supplies.	Request introduction of a "New Make in India OEM" category for Indian manufacturers established within the last five years.	No Change. As per RFP.

S.No	RFP Document Reference(s) (Clause & Page Number(s))	Content of RFP requiring Clarification(s)	Points of clarification	Responses to the Queries
50	General	Participation barriers for new Indian manufacturers remain high.	Kindly review eligibility conditions to maximize participation of Indian OEMs while retaining technical compliance, inspection, warranty obligations, Performance Bank Guarantee and contractual penalties.	No Change. As per RFP.
51	Processor Specification (Desktop/AIO/Laptop) Pages 18–21	Intel 14th Gen / AMD Ryzen 8000 series and older laptop processors specified.	Update Processer Intel Core Ultra Series 2 / Intel Core Ultra vPro / AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent/higher AI-enabled processors.	No Change. As per RFP.
52	Desktop Cabinet Size Pages 18–20	Cabinet restricted to 7L–18L.	Update all standard desktop form factors including Mini PC, SFF, DMT, Mid Tower and Tower provided all technical specifications are met.	No Change. As per RFP.

71	Processor Specification (Desktop/AIO/Laptop) Pages 18–21	Intel 14th Gen / AMD Ryzen 8000 series and older laptop processors specified.	Update Processer Intel Core Ultra Series 2 / Intel Core Ultra vPro / AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent/higher AI-enabled processors.	No Change. As per RFP.
72	Desktop Cabinet Size Pages 18–20	Cabinet restricted to 7L–18L.	Update all standard desktop form factors including Mini PC, SFF, DMT, Mid Tower and Tower provided all technical specifications are met.	No Change. As per RFP.
73	Desktop & AIO Processor Platform Pages 18–20	Desktop systems should not have mobile processors.	Update equivalent or better energy-efficient processor platforms meeting or exceeding the prescribed performance, warranty and reliability requirements.	No Change. As per RFP.
74	Laptop Memory Page 21	16 GB DDR5 with one DIMM slot free and expandable to 32 GB.	Update 16 GB DDR5/LPDDR5/LPDDR5X onboard or socketed RAM. Remove mandatory RAM expansion requirement.	No Change. As per RFP.
75	Laptop Processor Page 21	Intel Core i5-1334U / AMD Ryzen 5 7535U.	Update Intel Core Ultra 5/Ultra 7 Series 2, Intel Core Ultra vPro, AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent AI-enabled processors.	No Change. As per RFP.
76	Eligibility Criteria – Make in India OEM Products – Past Performance (Bidder), Page 7	Bidder must have supplied minimum cumulative quantity (Desktop-1: 2,400 Qty, Laptop: 80 Qty etc.) within last 7 years.	Request exemption or suitable relaxation of Bidder/OEM Past Performance for DPIIT-recognized Startups and Gujarat-based Micro & Small Enterprise (MSE) manufacturers. Alternatively, reduce the prescribed quantity by at least 75% for eligible Startup/MSME OEMs.	No Change. As per RFP.
77	Eligibility Criteria – Make in India OEM Products – Past Performance (OEM), Page 7-8	OEM must have supplied minimum cumulative quantity (Desktop-1: 7,500 Qty, Laptop: 250 Qty etc.) during last 7 years.	Request exemption or substantial reduction in OEM Past Performance requirement for DPIIT-recognized Startup OEMs. Alternatively, allow qualification through Manufacturing Capability, Factory Infrastructure, BIS/BEE Certifications, Production Capacity and Service Infrastructure.	No Change. As per RFP.

S.No	RFP Document Reference(s) (Clause & Page Number(s))	Content of RFP requiring Clarification(s)	Points of clarification	Responses to the Queries
78	Bidder Turnover Exemption Note, Page 12	Tender provides Turnover Exemption to Startup/MSME but specifically excludes Past Performance exemption.	Kindly extend similar relaxation to Past Performance criteria for eligible Startup/MSME OEMs under the Make in India category.	No Change. As per RFP.
79	Eligibility Criteria – Make in India OEM Products	Eligibility is based mainly on historical supply quantities.	Permit qualification based on Manufacturing Capability, Factory Inspection, BIS Registration, BEE Registration, ISO Certifications, Production Capacity, Service Infrastructure and OEM Performance Undertaking.	No Change. As per RFP.
80	Eligibility Criteria – Make in India OEM Products	Same eligibility criteria applicable to established multinational OEMs and newly established Indian OEMs.	Create a separate eligibility framework for DPIIT-recognized Startup OEMs and Gujarat-based Local Manufacturers participating under Make in India category.	No Change. As per RFP.
81	Eligibility Criteria – Past Performance	Existing clause requires experience irrespective of age of the company.	OEMs incorporated within the last five years may be permitted to qualify based on manufacturing capability, financial strength, statutory registrations and service infrastructure instead of historical supply quantities.	No Change. As per RFP.
82	General Eligibility	No provision for evaluating local manufacturing ecosystem.	Consider Local Value Addition, Gujarat Manufacturing Facility, Local Employment Generation, R&D Investment and Service Infrastructure as additional qualification criteria.	No Change. As per RFP.
83	Terms & Conditions – Quantity Clause, Page 10	Tender clearly states that quantities are indicative, notional and no order quantity is guaranteed.	Since this is only an empanelment and there is no guaranteed procurement, kindly reconsider the high Past Performance requirements or permit qualification based on manufacturing capability and technical compliance.	No Change. As per RFP.
84	Choice of Agency / Empanelment – Order Allocation Ratio	Orders are proposed to be allocated in the ratio of 70% to L1 and 30% to the second empaneled agency.	Request GIL to consider a more balanced allocation such as 60:40 or 50:50 between the two empaneled agencies, subject to satisfactory performance.	No Change. As per RFP.
85	Choice of Agency / Empanelment	Two agencies are empaneled at L1 matched price.	Request that departments may have flexibility to place orders with either empaneled agency based on delivery performance, stock availability and service response, instead of only fixed allocation.	No Change. As per RFP.
86	Eligibility Criteria – Startup & MSME	No preference specifically provided to Gujarat- based Startup OEMs.	Request procurement preference or evaluation benefit for Gujarat-based Startup OEMs and Local Manufacturers in accordance with Gujarat State Procurement Policy-2024 wherever applicable.	No Change. As per RFP.
87	Technical Qualification	Qualification primarily depends upon previous supply quantity.	Request GIL to consider Factory Visit/Factory Audit as an alternative qualification method for Startup OEMs.	No Change. As per RFP.
88	Technical Qualification	No consideration for investment made in manufacturing infrastructure.	Request that investment in manufacturing facilities, testing laboratories, quality control systems and after-sales infrastructure may also be considered for Startup OEM qualification.	No Change. As per RFP.
89	OEM Qualification	Current criteria favour established OEMs with large legacy supplies.	Request introduction of a "New Make in India OEM" category for Indian manufacturers established within the last five years.	No Change. As per RFP.
90	General	Participation barriers for new Indian manufacturers remain high.	Kindly review eligibility conditions to maximize participation of Indian OEMs while retaining technical compliance, inspection, warranty obligations, Performance Bank Guarantee and contractual penalties.	No Change. As per RFP.
91	Processor Specification (Desktop/AIO/Laptop) Pages 18–21	Intel 14th Gen / AMD Ryzen 8000 series and older laptop processors specified.	Update Processer Intel Core Ultra Series 2 / Intel Core Ultra vPro / AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent/higher AI-enabled processors.	No Change. As per RFP.
92	Desktop Cabinet Size Pages 18–20	Cabinet restricted to 7L–18L.	Update all standard desktop form factors including Mini PC, SFF, DMT, Mid Tower and Tower provided all technical specifications are met.	No Change. As per RFP.
93	Desktop & AIO Processor Platform Pages 18–20	Desktop systems should not have mobile processors.	Update equivalent or better energy-efficient processor platforms meeting or exceeding the prescribed performance, warranty and reliability requirements.	No Change. As per RFP.
94	Laptop Memory Page 21	16 GB DDR5 with one DIMM slot free and expandable to 32 GB.	Update 16 GB DDR5/LPDDR5/LPDDR5X onboard or socketed RAM. Remove mandatory RAM expansion requirement.	No Change. As per RFP.
95	Laptop Processor Page 21	Intel Core i5-1334U / AMD Ryzen 5 7535U.	Update Intel Core Ultra 5/Ultra 7 Series 2, Intel Core Ultra vPro, AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent AI-enabled processors.	No Change. As per RFP.
96	Processor Specification (Desktop/AIO/Laptop) Pages 18	Intel 14th Gen / AMD Ryzen 8000 series and older laptop processors specified.	Update to Intel Core Ultra Series 2 / Intel Core Ultra vPro / AMD Ryzen AI 300 Series / Ryzen AI PRO Series or equivalent/higher AI-enabled processors.	No Change. As per RFP.
97	Desktop Cabinet Size Pages 18	Cabinet restricted to 7L to18L.	Update all standard desktop form factors including Mini PC, SFF, DMT, Mid Tower and Tower provided all technical specifications are met.	No Change. As per RFP.
98	Desktop & AIO Processor Platform Pages 18	Desktop systems should not have mobile processors.	Update equivalent or better energy-efficient processor platforms meeting or exceeding the prescribed performance, warranty, and reliability requirements.	No Change. As per RFP.
